

March 2010

Certificate

The undersigned, declare that all the films supplied by ITW Mima Packaging Systems group are produced without any dangerous substances or any dangerous additives. The film is made with 100% low density polyethylene.

Our film is aligned regarding the European norm and legislation EU-2006/122/EC:
Restriction of Hazardous substances.

I undertake to inform you immediately if this declaration is not longer valid.

Christelle Gilson.
Technical Manager.
